NB: NEW PARKING ARRANGEMENTS AT THE 2015 BUFFS MARATHON NB

All runners and supporters please take note that we have arranged secure parking for everyone at the bottom of Buffalo Park Drive with sufficient car guards. That is the palisaded parking close to the circle right at the bottom of the street that runs past the club, down towards the sea.

The busses that take runners out to the start, will also pick everyone up right there at the new parking facility.

Only Buffs Club members with valid club membership cards will be allowed onto the buffs club premises with their vehicles.

The club is proud to host the Buffs Marathon, the [Washie 100 Miler](#) and the [Griffin 50 Miler](#). All Buffs events benefit from excellence in organisation thanks to committed and enthusiastic club members.

The Buffs Marathon was first run in 1974 and had since been a favourite on the running calendar for local and out of town athletes. The timing of the marathon is also convenient as one of the last qualifiers for the Two Oceans Ultra Marathon.

In 2011 we have added the "Buffalo Trial Run" to encourage further family participation in this already fun and popular event.
